

# Partnership FAQs:

## WHAT GRADES ARE ELIGIBLE?

Schools new to KnowAtom with Kindergarten to Grade 8 are eligible.

## CAN ONE SCHOOL OR CLASSROOM PARTICIPATE?

Yes, however KnowAtom is designed for use by professional teachers and is only available for sale directly to schools or districts. KnowAtom is not designed for use in enrichment classes, camps, and after school settings; therefore, they are not eligible.

## WHAT'S INVOLVED IN THE PARTNERSHIP?

You get fully supported: next generation designed, grade-specific, unit scope and sequence, teacher content background, detailed lesson plans, non-fiction student reading, Socratic dialogue and student coaching support, exemplars, vocabulary lists, assessments, online interactive access, professional development and all hands-on materials for one full year of implementation.

## WHAT DO I GET THAT'S DESIGNED FOR NGSS?

Everything is designed for mastery of the Next Generation Science Standards.

## DO I HAVE TO "APPLY"?

No, we're accepting on a first come first served basis.

## WHAT IS THE COST?

Grade level and instructional configuration determines cost. **We can give you an exact quote with the following information:**

Grade levels, number of teachers per grade level, self contained or 1 teacher teaching multiple sections (if so, how many sections per teacher), class or section size (12/15/25/30 students).

With this information please contact Maryellen deLacy for an exact quote at 617-475-3475 x2006 or by email at [mdelacy@knowatom.com](mailto:mdelacy@knowatom.com)

## WHEN CAN I SCHEDULE PROFESSIONAL DEVELOPMENT AND GET MY SUPPLIES?

Professional development begins as soon as KnowAtom receives your school or district purchase order. Hands-on materials will arrive within 90 days.

## WHERE CAN I SEE A SAMPLE UNIT FOR MY GRADE LEVEL?

A sample unit (first 30 days of school) and student reader is available to view online at [www.knowatom.com/curriculum](http://www.knowatom.com/curriculum)

## I'M INTERESTED. WHAT ARE THE NEXT STEPS?
